

LIFETIME GUARANTEE

We confidently guarantee both the performance of our products and the quality of your installation. Our experience in manufacturing and installing PVC-U products allows us to guarantee the following:

- 20 Year Guarantee on all sealed units
- Life Time Guarantee on all white windows and doors against bending, bowing, warping and cracking for as long as you own the property (this will reduce to 10 years if you move out from the date of installation and an admin fee to the new home owner of £50.00 for change of name will be required).
- 10 Year Guarantee on all moving parts
- 10 Year guarantee on all wood grain finishes
 - Life Time Guarantee on installation
- 10 Year Guarantee on sealed roof units
- 10 Year Guarantee on conservatory roofs

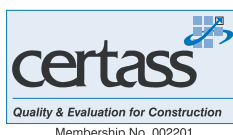

We take great care and pride in each installation we carry out and hope you will be delighted with every aspect of the service you receive from Polar Bear Windows. If, however, you require after sales service or advice please call customer support free on 08000 787 449.
