

2019 tub range

Call 0117 327 0127 Email Sales@pbwl.co.uk

Welcome to TubLife

From summer parties or steaming winters

Our hot tubs are professionally designed with ergonomics, efficiency, and quality in mind. They are manufactured to the highest possible standards, with the latest materials and processes used during manufacturing and production. We operate with a high volume, low margin ethos, so you can buy hot tubs at an even lower price than usual while still enjoying a luxurious and high-quality spa experience.

All tubs comes with hot tub cover, simulated wood cabinet, skirt drain, filter/s, foot massage (except Avonboro model), lounger/s and steps. 1 to 2 years warranty or more and free delivery and positioning.

Free home appointment

Flexible monthly repayments

Take advantage of our finance packages. Spread the cost of home improvements from as little as £37.50 per month.

Fixed monthly repayments make it easy for budgeting and no-fees for paying back early puts you in control. To find out if you are accepted for finance only takes a few minutes.

Low repayments

0% interest on installations costing £5,500 and under. On a 12 or 24 month term. Minimum 50% deposit required.

Representative example

Purchase price	£3000	Total repayment	£1500
Deposit (50%)	£1500	Duration of agreement	24 months
Amount of credit	£1500	Rate of interest (fixed)	0% pa
24 monthly payments	£60	APR representative	0%

Low deposit

9.9% interest on installations costing £5,501 and over. On a 24 to 120 month term. Minimum 10% deposit required.

Representative example

Purchase price	£7500	Total repayment	£8,501.40
Deposit (10%)	£750	Duration of agreement	60 months
Amount of credit	£6750	Rate of interest (fixed)	9.9% pa
60 monthly payments	£141.69	APR representative	9.9%

Buy now pay later

Enjoy 12 months deferred interest

Transform your home today and enjoy 12 months deferred interest. Avoid paying any interest by settling the cash price within the 12 month deferred period. Should you choose to not settle the full amount during the deferred period then you will enter the repayment period. Interest is calculated on the payment free period and the repayment period.

Representative example

Purchase price	£7500	Loan after deferred period	£7362
Deposit (25%)	£750	60 monthly payments at	£154.61
Amount of credit	£6750	Interest	£1914.85
Rate of interest (fixed)	9.5% pa	Total repayment	£9276.49
Deferred period	12 months	Duration of agreement	72 months
