ROCK SOLID COMPOSITE DOORS

Composite door range. Edition 2020

You are at the heart of everything we do

Voted the best in Bristol for customer satisfaction

Our success has not appeared over night but taken years of hard work and determination to be able to offer you an award-winning service, quality assured products and the best price.

Don't take our word for it, we have over 1,000 positive reviews online from previous customer experiences. From a small window replacement to transforming a whole house; we are able to deliver a quality service without compromise.

★★★★★ 9.8/10 positive reviews Checkatrade.com	★★★★★ 4.9/5 positive reviews Which? Trusted trader	★★★★★ 4.3/5 positive reviews Google
★★★★★ 4.9/5 positive reviews facebook	★★★★★ 5/5 positive reviews eKomi	★★★★★ 5/5 positive reviews Yell™

We have added up all the positive reviews from the leading installation companies of windows and doors and Polar Bear Windows has come out on top consistently across each platform above.

Rated the best in Bristol for customer satisfaction

About us

Mark started fitting doors and windows when he was 17 years old. After gaining years of experience and a good insight into industry he become increasingly frustrated with sales gimmicks and of lack transparency in the industry. He decided to set up Polar Bear Windows and championed three core principles which together would deliver an amazing experience to customers.

Always putting the customers needs first

Perfect fit products based on customer needs and specifications combined with a wide range of designs to cater for every taste.

Providing the best service

Qualified, experienced and experts in their field. His workforce shares his passion for providing an unrivalled customer experience.

Quality products without compromise

High-specification products equipped with the best features on the market at affordable prices.

Mark Price

Managing Director

Design your door

1 Style

Choose a style which compliments your home. We have an extensive range of traditional and contemporary styles to suit every taste.

We also offer side panels and toplight options to add a sense of grandeur to an entrance.

Pages 6-30

2 Colour

Select a colour to add personality, energy and create a statement.

Pages 33

3 Glass

A great range of quality bevelled, leaded, frosted and plain glass.

Pages 34-35

4 Hardware

Finishing touches are important to complete the look. Base the finish of the hardware on the door style and colour.

Pages 36-37

Hand-crafted masterpiece

Utilising the benefits of several different materials to provide great strength, excellent durability and jaw dropping good looks. Our composite doors are packed with innovation and industry leading quality which you can enjoy day after day – comforted in the fact that you made the right choice with Rock Solid Composite Doors.

Best tools

State-of-the-art engineering, industry leading machinery and high-grade materials ensures our composite doors achieve a consistent level of perfection.

Bespoke

Your new door will be made to fit seamlessly with your home. Each door is fully bespoke and tailored around your taste and needs.

Attention to detail

Hand assembled with care to achieve a high quality finish. Aesthetic wood grain surface for an authentic appearance.

Passion

We believe we have one of the best composite doors on the market. Packed with features which are amazing value for money.

Manufactured here
in the South West
of England

Stylish doors

Traditional

What does your front door say about you? Traditional Door Styles - Designed to replicate the most popular timber doors with highly defined mouldings and realistic wood-grain embossing on the surface. Whether used in a Victorian home, a modern townhouse or a cottage, these doors add to the appearance of any home.

Contemporary

Contemporary Door Styles - A selection of stunning modern styles with a range of carefully selected decorative glass options that enhance the look and feel of the door whilst maintaining the clean good looks.

Panels

Utilise the whole space with toplight, sidelight or side panelling.

Glass

Beautifully sculptured glass and obscure glass to suit your home.

Page 34-35

Hardware

Quality finishing touches completes the look of your new composite door.

Page 36-37

Traditional flush beading

A clean appearance with flush beading.

Page 38

Check out door pages to see door variations

We also offer double opening door style with lots of our doors.

You can personalise the colour, glass and door furniture on your composite door to suit your taste and home.

Online door designer

You can design your door from the convenience of your sofa with our online door designer tool on our website. Visit polarbearwindows.co.uk

Rock Solid Composite Doors

Industry leading quality on your doorstep. High security composite doors which are packed with security features and look superb today and for many years to come.

Key features of our industry leading door:

Multi-point locking system.

Industry leading Ultion 3 star cylinders is Secure by Design – Police preferred specification.

High density insulated core – better thermal performance than timber core composite doors. Timber core are also susceptible to warping if water enters the door GRP skin.

Signature composite door (44.5mm) is 17%+ more thermally efficient than a solid timber core composite door (48mm) and a timber panelled door (44mm).

Weighted noise reduction of 31 decibels.

Virtually maintenance free.

Effective all-year-round weather seal.

Water resistant polymer composite rails to stop water absorption which can lead to skin de-lamination and cause functional problems that our competitors may have.

10 YEARS GUARANTEE on all our doors

Comprehensive 10 year guarantee on all our composite doors to give you extra peace of mind for years to come.

Enjoy benefits...

Unparalleled Security

Our GRP composite doors offer enhanced security thanks to their rigid polymer sub-frame, high density insulated core and high impact resistant GRP skin. Rest assured that our doors are tried, tested and trusted, keeping you and your family safe.

Stunning Aesthetics

The wood grain finish was developed from oak tree grain. You'll also find the same wood grain effect and moulding design on the slim glazing cassette, giving a seamless and authentic finish.

Virtually maintenance free

Save time, hassle and money with a virtually maintenance free composite door – simply wipe clean with warm soapy water. See page 39 for more information.

Superb Sound Insulation

With a weighted noise reduction of 31 decibels it means you can enjoy your home in peace and quiet.

Exceptional Durability

Quality construction and high impact resistant glass reinforced polyester (GRP) skin that will maintain its pristine appearance.

Triple Glazed Glass

Our triple glazed, laminated as standard insulated glass units encapsulate the decorative glazing between two panes of clear glass, protecting it and making it easy to keep clean.

Excellent Weatherproofing

Utilising several components to achieve amazing weatherproofing all year round.

+17%

Most energy efficient composite door on the market*

The rising cost of energy bills and the impact on the environment means we all want to keep our consumption to a minimum. One of the best ways to achieve this is to choose thermally efficient products which will keep warmth in and cold out, saving money and emission levels.

*Doors were tested at the University of Salford's Energy House. This represents a typical Salford 1919 terraced house and its construction represents 21% of the UK's current housing stock. The house has been reconstructed in a fully environmentally controllable chamber, in which climatic conditions can be maintained, varied, repeated and patterns monitored. For the test, the inside temperature of the Energy House was 25°C with an exterior temperature of 5°C.

Locks

Industry leading cylinders

The safety of our customers is paramount to every decision we make in building our composite doors. When it came to cylinders the decision was easy – high specification Ultion 3 star industry leading locks.

Ultimate security

The multi-point locking system are anti-bump, anti-pick, anti-drill, anti-snap, anti-extraction system comes as standard as we believe safety should be enjoyed by everyone.

Accredited

Approved by the Police, tested by locksmiths with the Master Locksmith Association and is accredited with their highest standard.

Beyond secure

From LockDown Mode, Molybdenum (a super alloy), 11 pins (standard is 2x) and 20 point drill protection adds to an already high-security lock.

ULTION

£1000
guarantee

Should a burglary take place and entry was achieved by snapping an Ultion lock, they will pay you £1,000. Full details and how to register:

www.ultion-lock.co.uk/guarantee-registration/

10 YEARS
SECURITY PLEDGE

If you suffer a forced entry gained via the multi-point locking system on any of our doors supplied and installed by us, we will replace the damaged product and install it free of charge. This is exclusive to Polar Bear Windows, see website for more information.

Colour

Standard Colour Range

*Stains not available on Mira, Cygnus, Portia, Krypton, Nova, Altair, Beta, Aurora and any flush bead option.

Bespoke colour range

White on internal side, unless otherwise agreed. All doors come with a white outer frame as standard. Should you require colour, we offer a range of complementing foil finishes - please ask your sales designer for details. Colours shown should be used for guidance only as the limitations in the printing process, may mean that colours vary from those illustrated.

We can match any colour

We can colour your door in any RAL colour

To compliment your home, our low-maintenance colour finish is designed to stay looking good year after year, both on the inside and outside.

Decorative glass

Beautifully crafted glass with sculptured detail to give a sense of class. Triple glazed and laminated for added security.

The flush-fitted innerframe sits level with the moulding to give sleek lines.

Subtle detailing for a clean finish

Testimonials

Excellent workmanship

“Everything from choosing new front door, to fitting it was excellent, all staff very polite and helpful. Mark installed the door and was excellent very professional, clean and tidy. Good value for money, prompt service.”

Frances, 2019.

All round good Service

“Two doors replaced. Every step of the process was performed with professional expertise, no hard sell and good advice from all the staff. I would certainly use Polar Bear again.”

John, 2019.

Very Pleased

“The company were so helpful from our first enquiry to the staff at the showroom, to estimator, surveyor through to the fitter. Kept us updated and always on time for visits. Very pleased with our new front door..”

Annette, 2019.

Aftercare

Our composite doors have been designed to be easy to maintain.

To keep your door clean, prolong the life of the surface finish and protect your warranty, we recommend you wash it regularly using warm soapy water (washing up liquid is ideal) and a soft, lint-free cloth. If you live in a coastal area, in a heavily industrialised area or near a main road, you may need to clean your door more frequently.

You will get detailed aftercare instruction after installation is completed

We are here to help

If you have any question, big or small – please do not hesitate to get in touch. We look forward to hearing from you.

Door and glass colours shown in this brochure should be used for guidance only as the limitations in photographic and printing processes may mean that colours of products vary from those illustrated. All doors are provided with white internal skins, as standard. Bespoke coloured doors can be painted on one or both sides.
